

Getting to Primary Design

From Boston:

Take 93N to 495N to Exit 49 (Rte. 110/River Street)

Bear right at end of ramp onto River Street

Travel approximately 2.5 miles and take left immediately after going under RR trestle onto Moulton Way

Take first right onto Wingate Street and follow to stop sign

Take a left onto Essex Street and then your first right into the public parking lot

Look for Maria's Restaurant across from the lot. Primary Design is located in the 5-story brick building next to Maria's at 85 Essex Street

Enter through the double mahogany doors and take elevator to the 3rd floor

From Logan Airport:

Exit airport following signs to Rte 93 North. (You will be required to go through the Ted Williams Tunnel).

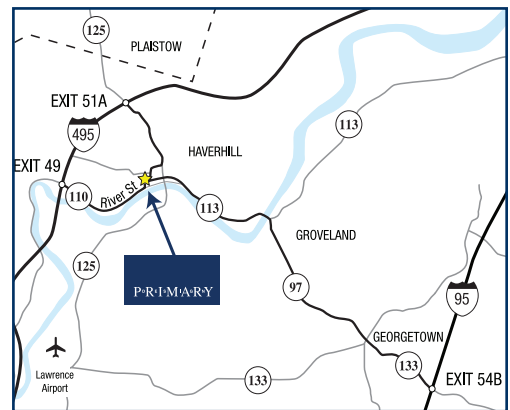

Follow "From Boston" above

By Rail:

Catch the MBTA commuter rail at North Station in Boston. It's a pleasant 50 minute ride to Haverhill's new station located just a few blocks from our offices.
